

Getting the Latest M17 Firmware

Connect Systems does not control the generation of the M17 firmware! We try to keep the latest version on our website but there is no guarantee it is the latest version.

The latest version of the CS7000 M17 and CS7000 M17 PLUS firmware is located at

<https://github.com/OpenRTX/OpenRTX/releases>

As of July 7, 2025, you get the following:

ReleasesTags

For the CS7000 M17 you want [openrtx_cs7000_v0.4.0.dfu](#) or a later version.

For the CS7000 M17 PLUS you want [openrtx_cs7000p_v0.4.0.bin](#) or a later version.

Download the program for your radio by clicking on the desired program and save it someplace you can find it again.
